ORDER

Madras, the 9th March, 1984

Sub: Order for cancellation of the Custom Purpose Copy and Exchange Control Copy of both licence Nos. P/L/0357866 and 0357868 dated 23-12-1982 issued in favour of M/s. Alfred Berg & Co., (I)(P) Ltd., No. 1, Hunters Road, Choolai, Madras-600112.

S.O. 1566.—M/s. Alfred Berg & Co. (1)(p) Ltd. No. 1, Hunters Road, Choolai, Madras-600112 were granted two import licence Nos: P|L|0357866|C|XX|85|M/81/B.11.1 and P/L/0357868/C|XX|85|M|81|B.11.1 dated 23-12-1982 for Rs. 13413 and for Rs. 36840 respectively as per April-March 1983 Licensing Policy. They have applied for issue of a duplicate copy for both the licences in duplicate on the ground that the original licences mentioned above have been lost/misplaced without having been registered with any Customs Authority and utilised at all. They have also declared that the said licences have not been cancelled, pledged, transferred or handed over by them or on their behalf to any other party for any purpose.

In support of their contention, the applicant has filed an affidavit on stamp paper duly signed before the appropriate judicial authority.

I am satisfied that the Import Licences No. P/L/0357866 and 0357868 dated 23-12-1982 have been last and duplicate copy should be issued to the applicant in lieu thereof. The original and duplicate copy of Customs Purpose Copy and Exchange Control Copy of the said licences may be deemed to have been cancelled for the full unutilised value of Rs. 13413 and Rs. 36840.

I.D. No. 78/83

In the matter of dispute between:

Ballo,

C/o Allahabad Bank Employees Union, 710, Ballimaran, Chandni Chowk, Delhi-110006.

Versus

The Management of Allahabad Bank, through The Regional Manager, Allahabad Bank, 17, Parliament Street, New Delhi-110001.

APPEARANCES:

Shri S. C. Sharma—for the Management. Shri Anil Sharma—for the workman.

AWARD

The Central Government, Ministry of Labour, vide order No. L-12012(159)/82-D.II(A) dated 20-1-1983 referred the following dispute to this tribunal for adjudication:—

- "Whether the action of the management of Allahabad Bank in relation to their Sadar Bazar Branch, Delhi under control of Regional Manager, New Delhi in not allowing Shri Ballo; Part-time permanent Sweeper to resume duty with effect from 4-4-80 and terminating his services is justified? If not, to what relief is the workman concerned entitled?"
- 2. The matter has been voluntarily settled between the management of Allahabad Bank and the Allahabad Bank Employees Union and the management agreed to allow Ballo to resume duties with the conditions that he would be paid 50 per cent of the total emoluments payable to him from 4-4-80 till the date Shri Ballo resumes duty and under this settlement Ballo has already joined duties on 28-3-84.
- 3. Under the circumstances, the dispute does not survive for adjudication and in accordance with the parties request a No dispute award is made.

Further ordered that the requisite number of copies of this award be forwarded to the Central Government for necessary action at their end.

O. P. SINGLA, Presiding Officer.

APPEARANCES:

For the Employers—Shri V. K. Gupta,
For the Workman—Shri J. G. Verma.

STATE—Punjab

AWARD

Dated the 10th of April, 1984

The Central Govt. Ministry of Labour in exercise of the powers conferred on them under Section 10 (1) (d) of the

Industrial Disputes Act, 1947, hereinafter referred to as the Act, per their Order No. L-12012|133|78-D.II (A) dated the 14th of November, 1980 read with S.O. No. S. 11025(2)/83 dated the 8th June, 1983 referred the following Industrial dispute to this Tribunal for adjudication:

- "Whether the action of the management of State Bank of India (Region II), Chandigarh in terminating the services of Shri Subhash Chander Gupta, Ex. Clerkcum-Cashier at Ajnala Branch of the Bank, on 31-8-1974, is justified? If not, to what relief is the workman concerned entitled?"
- 2. To trace a short history of the matter, the petitioner workman was appointed as a temporary clerk-cum-Cashier at Ajnala Branch of the Respdt. Bank w.e.f. 16-4-1973 and he worked there upto 31-8-1974 when his services were terminated. It was complained that the termination was void abinitio since the workman was neither given any notice nor any pay in lieu thereof. Similarly it was also stated to be bad due to non-payment of the usual retrenchment compensation. Therefore, for the abvious reasons, the petitioner resented his diseugagement and that gave rise to an industrial dispute which defined sattlement despite an earnest intervention of the ALC (C) during the Conciliation proceedings.
- 3. However during the meanwhile the parties entered into an agreement resulting in the petitioner's recall to the Bank service w.e.f. 20-11-1979 on his giving up his claim for the back-wages. The petitioner averted that since the termination was void ab-initio, therefore, any settlement or agreement to the prejudice of his back wages was also bad in the eye of law, and as such, he deserved an appropriate mandate from the Tribunal to the Bank Management for the recovery of the same alongwith upto date interest.
- 4. Resisting his claim, the Management admitted the factum of petitioner's employment w.e.f. 16-4-1973 and termination on 1-9-1974 as well as re-employment by way of recall w.e.f. 20-11-1979, it was further disclosed that the petitioner-work-had since been absorbed in the permanent cadre w.e.f. 24-9-1980. But on the crucial point of back-wages, they pleaded that there was a valid and legal agreement between the parties by virtue of which he was recalled to service in consideration of his voluntary withdrawal of the claim though, even otherwise also, under the terms of Agreement dated 22-8-1979 between the Bank and the All India State Bank of India Staff Federation (Majority Union) he could not press such claim for the period prior to 16-1-1976. In the same sequence he was alleged to be guilty of suppressing some material information from the Tribunal in the sense that during the entire intervening period from April 1976 he was gainfully employed in the Treasury Office, Amritsar.
- 5. During the course of hearing before my Ld. Prdecessor on 13-3-1981 the Workman's representative made a statement conceding "inter alia" that he had since been permanently absorbed in the Bank services and to that extent there was no dispute between the parties. It may also be worthwhile to to record here that in the claim statement itself factum of recall and re-employment w.e.f. 20-11-1979 was admitted by the petitioner. The bone of contention, thus boiled down to the following issue framed by my Ld. Predecessor.

"To what further relief is the Workman entitled after reinstatement?"

- 6. In support of his claim the Workman tendered his own Affidavit whereas the management examined the then Branch-Manager Sh. R. P. Sharma, M.W.1 alongwith a few documents of the admitted nature.
- 7. On a careful scrutiny of the entire material on records and hearing the parties I am not inclined to sustain the petitioner's case for any further relief because for the reasons better known to him, after filling his Affidavit he almost receded into back ground and opted against offering himself for the acid test of cross-examination to vouchsafe for the correctness of the averments and disclosures made therein. On the other hand the testimony of the Management's witness R.R. Sharma finds a reflection of credibility in the letters Exb. M.2 dated 29-10-1979 and M.3. dated 5-11-1979 that there was an informal, but valid, agreement between the

parties that the petitioner would give up his claim for the backwages whereas they would provide him with fresh employment on his qualifying the Entrance tests and the medical examination. To be precise, the Management made a concrete and legal offer vide their letter Exb. M.2 dated 29-10-1979 and the petitioner grabed the opportunity without any precondition per his letter Exb. M.3. As a matter of fact the offer itself was made by the Bank in pursuance to their revised policy to re-employ the members of such temporary staff who had been disengaged after putting in more than 270 days of service, and that was how that the petitioner had initiated the dialogue for their indulgence per his letter Exb. M.4 dated 24-10-1978.

- 8. Since authenticity of none of the above said letters was questioned before me, therefore, I can not resist the inference of a valid and binding agreement between the parties. On behalf of the Workman it was submitted that any settlement arrived at between the parties, without involving the Conciliation machinery envisaged by the Act, has to be executed by them in the manner prescribed under the Rules and a copy thereof has also to be sent to an Officer authorised in this behalf by the Appropriate Govt. otherwise it would have no existence in the eye of Law. In the same sequence he was at pains to impress upon me that since the Workman had already put in more than one year's continuous service within perview of Section 25-B by the time of his termination on 1-9-1974 therefore, he was entitled for the usual retrenchment Compensation and benefits by virtue of Section 25-F (a) and (b) which were denied to him, thus the retrenchment, being void ad-mitio, could not be a subject-matter of agreement to curtail the back wages, in view of the over ridding nature of Section 25-J.
- 9. Inspite of seeming attraction the submission failed to carry conviction with me, moreover any attempt to attract the provisions of Section 25-J on an agreement of the instant nature is misconceived because its scope is limited in nullifying the Standing orders and such other Statutory Rules which could have an adverse effect on the retrenchment benefits to be given to a Workman under chapter V-A of the Industrial Disputes Act whereas in our case the proposition is very simple as to whether in a sort of suspended animation when the validity of one's termination is in dispute, can a workman enter into an understanding with the Management to forgo his back wages in consideration of a fresh employment?
- 10. In the totality of the circumstances, I am of the considered opinion, that the proposition deserves to be answered in the affirmative because after all such understandings and agreements are valid both in extent and operation, more so when there is a lawful consideration with a definite tendency to curtail the scope of litigation and usher in Industrial peace without going into the cumbersome process of legal technicalities. Similarly I do not feel that the lack of formal registration of the agreement or its intimation to the Conciliation authorities etc. should have any meterial hearing particularly when it was not only implemented by the parties in letter and spirit but was further improved upon for the benefit of the Workman in the form of his permanent absorption on the regular cadre strength of the Bank from the temporary hands.
- 11. It is besides the point that the Management's allegation that the petitioner-Workman was gainfully employed in the Treasury Office Amritsar from April 1976 upto the date of reinstatement was not rebutted. Their Branch-Manager Sh. R.R. Sharma categorically averred this fact in para No. 3 of his Affidavit and no suggestion to the contrary was given to him despite his availability in the Witness box for cross-examination. On the other hand the petitioner/Workman shied nway from the witness box for some inexplicable reasons as mentioned hereinbefore.
- 12 Thus to sum up my aforesaid discussion on the limited available data and the points raised before me. I return my Award against the Workman with the rider that his re-employment and permanent absorption in the Regular Cadre of the Result. Bank during the intervening period shall remain undisturbed.

I. P. VASISHTH, Presiding Officer.

Chandigarh.

S.O. 1599.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal New Delhi in the industrial dispute between the employers in relation to the State Bank of Bikaner and Jaipur, Kota and their workmen, which was received by the Central Government on the 19th April, 1984.

BEFORE SHRI O. P. SINGLA, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL LAIBUNAL, NEW DELHI

I. D. No. 88/80

In the matter of dispute between:

S. N. Gupta

Versus

State Bank of Bikaner and Jaipur (Jaipur).

APPEARANCES:

Shri G. K. Sharma-for the workman.

Shri Suraj Narain—for the State Bank of Bikaner and Jaipur.

AWARD

The Central Government Ministry of Labour, vide Order No. L-12012/50/80-D.II(A) dated 16th August, 1980 made reference of the following disptue to this Tribunal for adjudication:—

- "Whether the action of the management of State Bank of Bikaner and Jaipur in dismissing Shri S. N. Gupta, Head Cashier, Pipalda Branch in District Kota with effect from 6th July, 1979 is justified? If not, to what relief is the workman concerned entitled?"
- 2. Mr. S. N. Gupta joined the State Bank of Bikaner and Jaipur as Cashier-cum-Godown Keeper on 25-8-61 and was promoted as Head Cashier w.e.f. 25-3-70. His services were terminated by letter No. RM/2/8/2 dated 27-6-1976 on the ground of having committed misconduct. The charges against him were as under:—
 - "(i) You demanded and accepted various amounts as bribe from the persons as mentioned below for getting the loans sanctioned in their favour

1. Shri Asraf Ali 50.00 2. Shri Dhanna Lal 50.00 3. Shri Mithu Lal 50.00 4. Shri Raghu Nath 100.00 5. Shri ohan Lal 350.00 6. Shri Bapu Lal 300.00 7. Shri Ram Singh 350.00 8. Shri Kanhi Ram 350.00 9. Shri Mangu

- (ii) You demanded and accepted Rs. 20 as bribe from Shrimati Phuli Bal, Sweeperess, Sunel Branch for releasing the payment of her Bonus amount of Rs. 80 in the month of May, 1973.
- (iii) You demanded and accepted bribe of Rs. 500 (Rs. 50 per month w.e.f. August 1972 to May 1973) from Shri Nemi Chand for arranging him an appointment of a temporary peon in the Sunel Branch on 5th August 1972;
- (iv) You had raised a loan of Rs. 1000 in the name of one Shri Pannalal by getting the same guaranteed by your brother Shri Jagdish Chandra."

- 3. The departmental enquiry was conducted by S. R. Jain, Officer in the Head Office. His appeal against the orders of his removal from his service was rejected by the Appellate Authority.
- 4. Workman's case is that the Enquiry Officer did not deal with him fairly and was biased and did not give him fair opportunity in the enquiry. Even his jurisdiction was challenged. His case is that none of the charges against him is established, and that he should be allowed reinstatement in service with full back wages and continuity of service.
- 5. The management of State Bank of Bikaner and Jaipur have contested this case. The dismissal, after holding the domestic enquiry against him on the charges of misconduct is said to be valid and proper and he is said to have been given full opportunity of being heard in the departmental enquiry. The charges proved against him were said to merit dismissal and no other penalty.
- 6. The matter in issue in the term of reference has been to id, and I have heard the representatives of the parties at great length. The English Translation of the evidence led in the case before the Enquiry Officer has been filed.
- 7. Nine persons have been mentioned in the charge sheet as persons from whom bribes were demanded and accepted, but Shri Suraj Narain for the Management of the Bank confined the management's case as proved only in respect of Asaf Ali, Dhanna Lal, Mithu Lal and Mangu.
- 8. In the case of Mithu, he had resiled from the statement made by him before the C.B.I. Official, and there was only his application to the bank on record. The enquiry officer did not allow the C.B.I. Official, who recorded the statement, to be cross-examined by the workman in the enquiry. Accordingly it appears that the workman has been rejudiced in respect of the charge against him, because he has not been allowed to cross-examine the person who recorded the statement of Mithu as a police officer, which statement is relied upon by the enquiry officer. The charge of demand and acceptance of bribe from Mithu is, for that teason, held not proved.
- 9. Asraf Ali admitted his statement made before the C.B.I. Inspector on 1-7-75 to be correct. In the statement he had stated that he was doing the work of cycle repairs in Sunel Town and applied for a loan of Rs. 500 under DIRA Scheme for purchase of Cycle parts on 10-12-72 and that the application was then prepared by the Head Cahier Shri S. N. Gupta but the loan was not granted to him because he had mentioned his annual income as Rs. 2000 in the loan application and the bank loan could be granted only to those whose annual income was upto Rs. 1200.
- 19. Mr. Asraf Ali further stated that he contacted Mr. S. N. Gupta, Head Cashier, after rejection of his application and was told that he will have to pay 19 per cent to Shri S. N. Gupta and then he could get loan. He paid Rs. 50 to Mr. Gupta at his residence and at the asking of Mr. Gupta he made another application on 29-1-73 for DIRA Loan and mentioned his annual income as Rs. 1100 and the loan was granted and he repaid it in monthly istalment of Rs. 50.
- 11. In cross-examination Mr. Gupta asked him only a few questions. He stated that Nathu Lal Lohar, in whose presence he made the payment, refused to give statement to the CBI Inspector. He stated that the loan application was prepared by Mr. Gupta and that, generally, he came every month to the bank for repayment of loan and that he did not thumb-mark but signed the proposal. To the question about dates and times when he came to Mr. Gupta's house Asraf Ali stated that it does not make sense to him and when Mr. Gupta asked him why he did not complain to the Manager Sahib at the next time when he came to the bank after taking loan. Mr. Asraf Ali replied that the question had not come before him.
- 12. In his written submission, Mr. Gupta contended that he was not connected with the loan of Asraf Ali and that Mr. Kochawa, Branch Manager had stated that the proposal was sent after verification done by him, and was not recommended by Mr. Gupta, His further contention is

that Nathu Lal Lohar had not been produced and he had refused to give statement to the C.B.I. Inspector to ecoroborate Asraf Ali's statement. Asraf Ali had evaded in giving replies to question indicating that he had no knowledge of the statement recorded by the CBI Inspector and that the charges by Asraf Ali were false and fabricated.

- 13. The Ld. Advocate for Shri S. N. Gupta has indicated that it will be wholly unsafe to rely on the uncorroborated statement of Asraf Ali, when the best witness allegedly present at the time of giving bribe, namely Nathu Lal, had not come forward to depose against the workman, and the statement of Asraf Ali and his complaint were made years latter.
- 14. The situation has to be comprehended clearly to appreciate the truth of falsehood of the statement of Asraf Ali. Ordinarily people avoid making complaints or becoming witnesses in court or proceedings in corruption charges and if Nathu Lat Lohar refused to appear as a witness either be fore the CBI or before the Enquiry Officer, the act of Nathu Lal Lohar is not unfamiliar or incredible. It does not detract from the correctness of the statement of Mr. Asraf Ali.
- 15. The real matter of importance is that the loan application of Asraf All had earlier been rejected on account of his mentioning his annual income as Rs. 2000 and he had sought assistance of Shri S. N. Gupta to get loan under DIRA even after rejection of his first application where he mentioned his income as Rs. 2000. In second application where he mentioned Rs. 1100 as annual income he would not get a loan, if S. N. Gupta would disclose that in an earlier application he had mentioned his annual income as Rs. 2000 and S. N. Gupta got Rs. 50 for suppressing the information to the bank Manager of the earlier application of Asraf Ali and thereby made for verification of Asraf Ali's income by the Manager R. N. Kochawa. The fact of statement of annual income as Rs. 2000 was known to S. N. Gupta and he not only kept back that information from the branch Manager he suggested Mr. Asraf Ali to write his annual income in the assessment application as Rs. 1100 only.
- 16. This is the situation in which Asraf Ali paid Rs. 50 to S. N. Gupta and S. N. Gupta was able to get second application made by Asraf Ali to appropriate Rs 50 for himself by getting the loan to Asraf Ali on the basis of his annual income being only Rs. 1100 per annum and not Rs. 2000 p.m.
- 17. I am clearly of the opinion that Asraí Ali deposed the truth before the C.B.I. Inspector and before the Enquiry Officer and his testimony is in no way shaken by the cross-examination of S. N. Gupta, and that Asraf Ali could get the loan of Rs. 500 by the subseuent application only because of the contrivance suggested by S. N. Gupta of making subsequent application showing lower annual income to avail of loan under DIRA Scheme by Asraf Ali.
- 18. When Asraf Ali had obtained a benefit of the loan which he disperately wanted, there was no question of his making complaint to the Manager about his having been made to pay Rs. 50 as bribe to S. N. Gupta. It is only when the CBI Inspector investigated the matter that Asraf Ali in 1975 made the statement after he had repaid the loan and having nothing to fear or to loose, and S. N. Gupta was not there in the bank or at the place to harm him.
- 19. It is not possible to believe that Asraf Ali deposed falsely at the instance of anyone, and his cross-examination by S. N. Gupta does not shake his bona fides.
- 20. I am clearly of the opinion that Asraf Ali has given truthful statement to the CBI Inspector and truthful affirmed it before the Enquiry Officer, and his cross-examination does not shake him and that the circumstances mentioned by him clearly indicate that it was a case where he got loan on subsequent application by mentioning lower figure of his income as Rs. 1100 per month at the instance of S. N. Gupta, and Mr. Gupta was able to get Rs. 50 bribe from Asraf Ali by suggesting him the means by which he could get the loan under DIRA, and S. N. Gupta suppressed

- the information of the first application of Asraf Ali made in November, 1972 from the Branch Manager and thereby allowed the second application to be verified by the Branch Manager Kochawa and the loan sanctioned by the Head Office. I have absolutely no doubt about the truthfulness of Asraf Ali and cannot entertain doubts raised by S. N. Gupta or his Ld. Advocate. I see no difficulty whatsoever in holding that Asraf Ali stated the truth and that his cross-examination is inconsequential, and that Nathu Lal Lohar kept away from the CBI Enquiry and the departmental enquiry only because Nathu Lal Lohar did not want to trouble himself with the matter and preferred silence. Incase Asraf Ali was a liar, S.N. Gupta could have produced Nathu Lal Lohar in his defence, to give lie to the statement of Asraf Ali that he paid Rs. 50 to S. N. Gupta at his residence in the presence of Nathu Ial. The charge against S. N. Gupta of accepting Rs. 50 as bribe from Asraf Ali to duly proved beyond any shadow of doubt. The order of the enquiry Officer not allowing cross-examination of the CBI Inspector regarding the statement of Asraf Ali is insignificant because Asraf Ali admitted the correctness of statement made by him before the C.B.I. Inspector, and nothing substantial turns on the refusal to allow cross-examination of the C.B.I. Inspector.
- 21. Dhanna Lal was examined by the C.B.I. Inspector on 1-7-75 and he gave a statement that he got a loan of Rs. 500 for making bricks and earthern pots and that he applied on 16-2-73 and that at the asking of S. N. Gupta when he was going to Hospital and passed the house of Mr. S. N. Gupta, he gave a bribe of Rs. 50 for the loan being sanctioned to him. He borrowed this amount from one Ram Gopal Ji S/o Jagan Nath and gave Rs. 50 to Mr. S. N. Gupta, Head Cashier, and he repaid to Ram Gopal, and bank loan was granted to him which he repaid in instalments. He stated that, when he paid Rs. 50 to S. N. Gupta, no one else was there.
- 22. Mr. Dhanna Lal affirmed the correctness of the statement, made by him to the C.B.I. Inspector, before the Enquiry Officer. He has been cross-examined by Mr. S. N. Gupta. Ram Gopal, who gave the loan to Dhanna Lat, has been also examined by the C.B.I. Inspector as also before the Enquiry Officer, and was cross-examined by S. N. GUPTA.
- 23. The arguments of the Ld. Advocate of S. N. Gupta is that the evidence of Dhanna Lal and Ram Gopal Ji is discrepant and unreliable. Dhanna Lal stated that he paid Rs. 50 back to Ram Gopal Ji, whereas Ram Gopal Ji stated that the repyament was by his not paying salary to Dhanna Lal's brother. There is said to be further discorepancy about his statement about going to Hospital and the non-complianing by Dhanna Lal for a long time was said to make his evidence suspect especially when the assertion of the workman was there that Dhanna Lal made his statement to the C.B.I. Inspector and accepted before the Enquiry Officer because of the influence of Man Singh, Agricultural Assistant, at whose instigation it was all done.
- 24. It is not possible to disbelieve Dhanna Lal and his evidence inspires suspect. Ram Gopal Ji admitted that he gave Rs. 50 to Dhanna Lal and Dhanna Lal says that he paid this money to S. N. Gupta as bribe. About the repayment, the discrepancy does not seem to be material, and the statement of Dhanna Lal can be wrong or incorrect, and the money may have been deducted in payment not made to his brother, but this is a small matter which does not affect the credibility of Dhanna Lal. There was no work for which Dhanna Lal borrowed money from Ram Gopal Ji, except that of making bribe payment to S. N. Gupta, as deposed to by Dhanna Lal.
- 25. Dhanna Lal is sincere when he immediately admitted that Man Singh, Agricultural Assistant asked him to make the statement, and it is possible that Man Singh asked him to depose what was the truth, because Dhanna Lal specifically stated that he paid the bribe, and that he went to the bank a number of times and that he had gone to the Manager also to find out whether the loan had been sanctioned or not and that he went further to the bank whenever repayment had to be made.
- 26. I do not see about the institgation of Dhanna Lal by Man Singh Agricultural Assistant. Man Singh Agricultural

Assistant only invited Dhanna Lal to state what happened, and Dhanna Lal gave the statement to the C.B.I. Inspector thereafter. It is not possible to believe that Dhanna Lal made talse allegations against S. N. Guptu, at the instance of Agricultural Assistant Man Singh.

- 27. The statement of Dhanna Lal appears to be truthful and Dhanna Lal does not seem to be an agent of Man Singh Agricultural Assistant manipulated by Man Singh to depose falsely against S. N. Gupta. He appears to be an ordinary potter and Agriculturist, who wanted money for making bricks and earthern pots, and got his application recorded by S. N. Gupta and paid Rs. 50 to Mr. Gupta, on his demand, to get the loan sanction d.
- 28. Dhanna Lal's evidence does not appear to be that of a clear or motivated person, and there is no reason to discard his statement made before the CBI Inspector and accepted before the Enquiry Officer as correct. His cross-examination by S. N. Gupta does not shake him and it appears that full reliance can be placed upon it for holding that he paid Mr. Gupta Rs. 50 bribe for getting the loan of Rs. 500 from the bank on his application made in February, 73. The doubt about his credibility do not arise, and this straight forward villager can certainly be relied upon, as the stated the truth before the CBI and Enquiry Officers. As already observed, the non-cross-examining of the C.B.I. Inspector, who recorded the statement of Dhanna Lal and Ram Gopal Ji, is not significant, because the statements made before the CBI Inspector were affirmed before the Enquiry Officer.
- 29. It is not accepted that the CBI Inspector pressurised Dhanna Lal and Asraf Ali to depose before the Enquiry Officer, because so many others did not depose as was stated in C.B.I. Statements, and resiled from those statements. Asraf Ali and Dhanna Lal and Ram Gopal Ji appear to have made voluntary statements before the CBI Inspector, and have affirmed them before the Enquiry Officer. The charges against S. N. Gupta of having taken Rs. 50 each from Asraf Ali, and Dhanna Lal are established, beyond any shadow of doubt.
- 30. The charge in respect of taking of bribe from Mangumust fail, on the short ground that the person through whom money said to have been paid by name Prabhu has not been examined either by the CBI or before the Enquiry Officer and the statement of Mangu cannot be relied upon, when the actual person through whom the bribe was paid, by name Prabhu, has not been examined.
- 31. Therefore, in respect of charge No. 1, on a review of the entire evidence, it is only in respect of Asraf Ali and Dhanna Lali that the charge are proved beyond doubt.
- 32. The charge regarding acceptance of bribe from Phuli Bai must be held to be not proved for the simple reason that Phuli Bai refused to own the statement said to have been recorded by the CBI Inspector, and the CBI Inspector who recorded her statement was not allowed to be cross-examined by the workman in the Enquiry Proceedings. As such, it would not be safe act on testimony which has not been fully tested by cross-examination.
- 33. The other two charges relating to acceptance of bribe from Nemi Chand and raising loan in fictitious name by accepting guarantee of his own brother, depend upon the testimony of Nemi Chand states that he was employed as temporary peon in the bank on 15-2-72 through the Good Officers of Mr. S. N. Gupta, who had studied with his father Babu Lal and that he was short of 40 days from 18 years on 5-8-72, when he joined service as temporary peon and his date of birth was 15-9-54 and no one could join service before the age of 18 years. It was for this reason that he had to pay Rs. 50 PM to Mr. Gupta from salary for August, 72 to May, 73 total Rs. 500. He compalined about the deduction to the bank after he had talked over the Man Siagh and Arjun Lal, Chowkidar.
- 34. In respect of the alteged fictitious loan in the name of Panna Chamar he has stated that the three ellips dated 15-2-73 for Rs. 60, dated 20-2-73 for Rs. 20 and dated 26-2-73 for Rs. 445 were filted in by him and he signed as deposition on the silps, at the asking of S. N. Gupta and that it was S. N. Gupta who gave the money from his own pocket for these payments.

- 35. The difficulty is that Panna Lal Chamar has stated that he got the loan and signed himself, repaid it and has not accepted that the loan was fictitious or that it was taken by S. N. Gupta, CBI Inspector, who recorded the statement of Pannal Lal Chamar, was not allowed to be cross-examined. The statement of Jagdish, recorded by CBI Inspector, is also discounted by Jagdish, and the CBI Inspector has not been allowed to be cross-examined in respect of that statement also. As such the charge relating to Panna must fail. That would affect the credibility of Nemi Chand on other charge and for that reason charges by Nemi Chand against S. N. Gupta must also not be accepted as a matter of caution and to give benefit of doubt to the person facing disciplinary enquiry.
- 36. I hold that the charges against the workman S. N. Gupta are clearly established only in respect of acceptance of bribe Rs. 50 each from Asraf Ali, and Dhanna Lal for getting them loans sanctioned from the bank of Bikaner and Jaipur. But the punishment of dismissal imposed on him is upheld, because the proving of these charges suffices for ordering his dismissal from service. It will be improper and unfair to the management of the Bank to allow S. N. Gupta to remain as their employee, when he is clearly proved guilty of suppressing material facts from the management in respect of Asraf Ali, and when he has taken money from the customers of the bank for allowing bank loans to them.
- 37. Under the circumstances, the action of the management of State Bank of Bikaner and Jaipur in dismissing from service Mr. S. N. Gupta, after holding domestic enquiry on the charges levelled against him, has to be accepted as valid and justified and S. N. Gupta is not entitled to any relief.
- 38. It has been kept in view that the charges are of a quasi-criminal nature and require to be proved strictly, and that benefit of any doubt must go to the workman.

Further ordered that the requisite number of copies of this award be forwarded to the Central Government for necessary action at their end.

New Delhi, the 27th April, 1984

S.O. 1600.—In pursuance of section 17 of the Industrial Disputes Act. 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal New Delhi in the industrial dispute between the employers in relation to the Bank of Maharashtra, New Delhi and their workmen, which was received by the Central Government on the 19th April, 1984.

BEFORE SHRI O. P. SINGLA, PRESIDING OFFICER, CENTRAL GOVT. INDUSTRIAL TRIBUNAL, NEW DELFII

LD. No. 67/81.

In the matter of dispute between:

Shri Kishan Singh Sangela, through Deputy General Secretary, Union of the Maharashtra Bank Employees', 898, Nai Sarak, Chandni Chowk, Defhi-110006.

Versus

Bank of Maharashtra c/o The Asstt. General Manager, Northern Zone, Hocchest House, Asaf Ali Road, New Delhi.

APPEARANCES:

"Shri R. K Kadam-for the workman.

Sh. U. P. Amodekar-for the management.

AWARD

The Central Government, Ministry of Labour vide Order No. L-12012/162/80-D. H. A. dated 21st May, 1981 referred the following dispute to this tribunal for adjudication:

- "Whether the action of the management of Bank of Maharashtra in not promoting and posting Shri Kisah Singh Sangela, Peon, Zonal Office as Air Conditioning Plant Helper at their Branch Office, Cannaught Place, New Delhi, is justified. If not, to what relief is the workman entitled?".
- 2. The statement of claim was filed by the Union of Maharashtra Bank Employees' (Regd.) Delhi Unit. It was pleaded that the workman Kishan Singh Sangela joined the bank of Maharashtra, Karol Bagh Branch, New Delhi on 11-5-71 as a Peon. The post of Daftri was created in the Connaught Place Branch of the bank and Kishan Singh workman as a Senior person was transferred to Connaught Place Branch, New Delhi as Daftri. He was again transferred to Bank's Zonal Office, New Delhi.
- 3. The dispute in the present case relates to the post of Havakdar which fell vacant at Branch Connaught Place New Delhi February, 79 and to the post of Air Conditioning Plant Helper which also arose at Connaught Place Branch New Delhi on 10-5-79. The post of Havaldar carried more allowances than the post of Daftri and the post of Air Conditioning Plant Helper carried still greater allowances than that of Havaldar. The Management denied these posts to the workman and promoted Connaught Place Branch working officials on the basis of head office circular No. AXI/SI/SPL/108/78 dated 5th August, 1974 which provided that all allowance posts should be allotted as per branch seniority.
- 4. The Management's case is that the said circular is legal and proper and that paras 529 and 507(2) of Shastri Award have not been violated because para 529 applies to promotion as such and para 507(2) relates to retrenchment of employees where town seniority has been prescribed.
- 5. The workman's case is that town senjority must apply in the case of all allowance posts because para 507(2) of the Shastry Award prescribed that in deciding who is the junior most among the superfluous A and B class banks should take the town as Unit and that in the matter of other promotions the bank concerned acceped the town Division as a Unit and not the branch as a Unit. The workman claimed that he should be deemed to be promoted as Air Conditioning Plant Helper on the basis of his Seniorty in the town w.e.f. 10-5-79, the date his junior Govind Singh Negi was appointed to that post and that he should be paid all the arrears of Air Conditioning Plant Helper with all other benefits, namely provident fund, bonus, D.A. etc. w.e.f. 10-5-79 onwards.
- 6. The matter referred to the Tribunal has been examined and the evidence of the parties have been recorded. The workman gave his own affidavit and the management filed the affidavit of Sh. K. U. Kulkarni, Manager, Connaught Placa Branch, New Delhi. Written arguments have been filed on record and have been perused.
- 7. Mr. Kulkarni Manager in cross-examination accepted as under :--
 - "xxx Cross MW1-1).—Whenever there is a higher allowance post, senior person is offered the post and for that reason Shri Kishan was transferred to Asst. Divisional Manager's Office from Connaught Place Branch as Daftary, Kishan Singh has not applied for transfer.
 - (2) Air Conditioner Plant Operator's is an allowance post. He gets higher allowance than that of Daftri or Havaldar.
 - (3) There is a circular dated 5-8-74 dealing with allocation of special allowance post on record has been followed.

- (4) In the case of transfers, only Division wise seniority is considered and not branch seniority.
- (5) In the case of Special Assistants, Division wise seniority is counted and not branch seniority."
- 8. It thus appears that the Management has been accepting Divisional or Town Seniority as a basis for promotion and higher allowance posts must be considered in the same category. There is definitely the requirement of the Shastry-Award that in matter of retrenchment town Seniority should be by A and B class banks.
- 9. In the light of the foregoing circumstances the workmen's plea is correct and the circular of the Management referred to earlier dated 5th August, 1974 ordering branch seniority to operate in the matter of allowance posts is discriminatory and inoperative. The workman Kishan Singh Sangela was entitled to be appointed Air Conditioning Plant Helper in the Connaught Place Branch and is entitled to Air Conditioning Plant Helpers allowance w.e.f. 10-5-79 onwards. The action of the management of Bank of Maharashtra in not appointing Kishan. Singh Sangela to the post of Air Conditioning Plant Helper w.e.f. 10-5-79 is clearly unjustified and improper and the workman is entitled to arrears for the period 10-5-79 onwards as well as to other benefits sought by him. The Management is directed to give him all benefits and arrears on the basis of his Air Conditioning Plant Helper w.e.f. 10-5-79.
- 10. The management is also directed to pay him amamount of Rs. 200 as costs of this reference. The award is made accordingly.

Further ordered that the requisite number of copies of this award be forwarded to the Central Government for necessary action at their end.

April 12, 1984.

AWARD

The Govt, of India in the Ministry of Labour in exercise of the powers conferred on them U/S 10(1) (d) of the Industrial Disputes Act, 14 of 1947 has referred the dispute to this Tribunal for adjudication under Order No. L-20012(421)/82-D. III (A) dated the 18th May, 1983.

SCHEDULE

Whether the action of the management of Mudidih Colliery of M/s. Bharat Coking Coal Ltd., in not regularising the services of Cartridge Makers (listed in the Annexure below) as regular workmen of the colliery is justified? If not, to what relief are these workmen entitled?

ANNEXURE

- 1. Arjun Bhuiya
- 2. Nanda Bhuiya
- 3. Josodwa Bhuini
- 4. Amarendra Kumar
- 5. Surii Bhuini -
- 6. Baiju Prasad
- 7. Budhawa Mian
- 8. Rai Kumar
- 9. Dahani Bhuini
- 10, Shambhu Pd. Keshri
- 11. Rajendra Kr. Singh
- 12. Chintwa Bhuini
- 13. Domia Bhuiya
- 14. Dilip Kumar
- 15. Sontosh Kr. Dey
- 16. Gejia Bhuiya
- 17. Karu Chamar
- 18. Ram Rup
- 2. The case of the concerned workmen who are 18 in number is that they are working at Mudidih Colliery in the capacity of Cartridge Makers for the last 6 to 7 years and are the permanent employees under the management. It is alleged that the management, however, paid them wages on vouchers on the quantum of work done by them but they were never paid V.D.A., D.A. and other benefits admissible for coal mine worker as the management did not consider them as regular employees.
- 3. It is submitted that as per N.C.W.A. the concerned workmen are entitled to Category I wages. It is also submitted that they are working in the premises of the management and are getting materials for manufacturing cartridges which are prepared under the direction of the management and the said cartridge are utilised for blasting purposes. Their demand is that they should be regularised as Cartridge Makers in Category I and be given consequential relief since January, 1977.
- 4. The defence of the management is that there is no relationship of employer and employee between the concerned 107 GI/84—8

workmen and the management and that the concerned workmen are not workmen as defined under the Industrial Disputes Act. It is stated that Arjun Bhuiya workman mentioned in Sl. No. 1 of the Annexure used to supply Clay Cartridges on order from the management for which payment is made at the rate of Rs. 10/- per thousand and that the said Arjun Bhuiya is a supplier only. It is also submitted that the management has been purchasing several other materials like explosives, bamboos, sand, bricks, cement etc. from different suppliers at stipulated rate but those suppliers can not be deemed to be an employee of the colliery. It is also stated that no materials for preparing the above cartridges was ever supplied by the management and as there is no relationship of employer and employee between the parties, the question of regularising them does not arise at all

- 5. On the above grounds it is prayed that the Reference be decided in favour of the management.
- 6. The point for consideration is as to whether the action of the management in not regularising the concerned workmen as regular workman of the colliery is justified. If not to what relief the concerned workmen are entitled.
- 7. It may be stated that the question of regularisation of the concerned workman will arise only when it is shown that they are working under the management either as a permanent or as a temporary employee and there is a relationship of employer and employee between the two. No appointment letter has been filed on behalf of the concerned workmen to show that they were ever engaged to work as Clay Cartridge Maker. Their names do not appear in Form B or in any other register of the management. WW-1 is Arjun Bhuiya one of the concerned workmen who has stated that the materials for preparation of clay cartridges were supplied by the management, but there is no proof to this effect and further the said fact has been denied by MW-1 who is working as Superintendent of the colliery in question. WW-1 has also stated in his evidence that they have been provided with free residence but this fact has also been denied and it appears clearly an after thought because nowhere it is stated in the written statement of the management that they have been provided with free accommodation.
- 8. The only document filed on behalf of the workmen is Ext. W-1. It is said to be a requisition slip showing that some materials were supplied from the colliery store. This document will, however, show that it is a copy and not original. Further it only shows that 4 pieces of cane baskets were requisitioned in the name of Arjun Bhuiya one of the concerned workmen but cane baskets definitely cannot be used for manufacture of clay cartridges. It may, however, be used as a container only and even if some cane baskets were supplied then it was for the purpose of keeping clay cartridges which were supplied by Arjun Bhulya as a Supplier as contended by the management. Another document is Ext. W-2 which is said to be an outdoor ticket of the colliery dispensary standing in the name of one Ram Rup. It simply prescribes certain medicines on the back portion of the prescription. The front portion is blank. This document has also been attached as not a genuine document by the management. Further it is a matter of common experience that no coolliery dispensaries even contractor or contractor's labours are given medical facilities and so even if this document is genuine that would not show that the concerned workman is an employee of the management.
- 9. As against this the management has filed Ext. M-1 series which are the statements showing the total number of clay cartridges supplied by Arjun Bhuiya to the management. The name of any other concerned workman do not appear in this document to show that they also worked with Arjun Bhuiya. These documents clearly indicate that Arjun Bhuiya as contractor supplied so many number of clay cartridges on different dates to the management. Ext. M-2 series would show the work order issued to Arjun Bhuiya on different dates for supplying clay cartridges and the rate of supply is also mentioned in it. On the basis of this work order Arjun Bhuiya was paid the price of clay cartridges vide Ext. M-3 series. These payments were made by vouchers and it shows

that it was paid at the rate of Rs. 10/- per thousand besides Rs. 3/- per thousand as carrying charges. Admittedly all these vouchers bear the signature of Arjun Bhuiya with stamp showing the amount received by him. Thus all these documents clearly indicate that Arjun Bhuiya one of the concerned workmen used to supply clay cartridges on certain rate to the management and he received payments through vouchers. MW-1 has stated that there are other suppliers of clay cartridges who received such payments.

10. Considering the entire evidence, I hold that Arjun Bhuiya one of the concerned workmen supplied clay cartridges as supplier to the management and that there was never any relationship of employer and employee between Arjun Bhuiya or any other workmen concerned and the management and so the question of regularisation does not arise at all. It is accordingly held that the action of the management in not regularising the concerned workmen as regular workmen of the management is justified. In the circumstances concerned workmen are not entitled to any relief.

11. The award is passed accordingly.

5.0. 1627.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government herey publishes the following award of the Central Government industrial Tribunal No. 3, Dhanbad, in the industrial, dispute between the employers in relation to the management of Chinakuri Colliery of M/s. Eastern Coalfields Ltd., Post Office Sonderchak, Distt. Burdwan and their workmen which was received by the Central Government on the 23rd April, 1984.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT NO. 3. DHANBAD

Keference No. 21/82

PRESENT:

Shri J. N. Singh, Presiding Officer

PARTIES:

Employers in relation to the management of Chinakuri Colliery of M/s. Eastern Coalfields Ltd., P.O. Sunderchak, Dist. Burdwan.

AND

Their workmen

APPEARANCES:

For the Employers-Shri B. N. Lala, Advocate.

For the Workmen-Shri D. Mukhener Advocate.

INDUSTRY: Coal

STATE: West Bengal

Dated, the 12th April, 1984

AWARD

The Government of India in the Ministry of Labour in exercise of the powers conferred by them U/s. 10(1)(d) of the Industrial Disputes Act, 14 of 1947 has forwarded the dispute to this Tribunal for adjudication under Order No. L-19012(76)/81-D.IV(B) dated the 8th March, 1982

SCHEDULE

- "Whether the action of the Agent, Chinakuri Celliery of ECL, P.O. Sunderchak, Dist. Burdwan in super-annuating Shri Chhabiraj Dubey, John Hembrom, Security Guards and Shri Guran Mallah and Narsingh, loaders of Chinakuri Colliery w.e.f. 1-7-81 is justified? If not, to what relief are they en-
- 2. The case of the concerned workmen is that they were superannuated illegally by the management on 1-7-81. It is stated that they have not attained the age of 60 years on that date and hence the superannuation is wrongful and unjustified. It is also stated that the Form B register is a stated that the superannuation is a stated that the superannuation is a stated that the stated that the stated that the superannuation is a stated that the stated th statutory register in which the particulars of a workman is mentioned including his age and that identity card containing photo, age and other particulars are also made over to each workman of the colliery bearing the signature of the Personnel Officer or Welfare Officer and from these two documents it will appear that the concerned workmen had not attained the age of 60 years on that date. It is submitted that during concilliation proceeding the management did not produce Form B register. According to them the year of birth of Chhabiraj Dubey is 1924, that of John Hembrem 1923, Guran Mallah 1926 and of Narsingh 1925. It is prayed that the workmen are entitled to be reinstated with full pay till the age of their retirement.
- 3. On the other hand the case of the management is that the concerned workmen had reached the age of 60 years on 1-7-81 as per entry made in Form B register. It is also stated that as per letter dated 6-10-76 when only the year

- of birth of an employee is known then he is to retire on 1st July of the year in which he completes 60 years. In these cases as the year of birth is only recorded in Form B register they were rightly retired with effect from 1-7-81.
- 4. On the above allogations it is prayed that the Reference be decided in favour of the management,
- 5. The point for consideration is as to whether the action of the management in superanguating the concerned workmen with effect from 1-7-81 is justified. If not to what relief they are entitled.
- 6. To determine the issue as to whether the concerned workmen had attained the age of 60 years on 1-7-81 or not it will be proper to take the case of each workman one by
- 7. It is not disputed that the age of retirement has now been raised to 60 years. Ext. M-3 is a letter dated 6-10-76 issued by the Eastern Coalfields Ltd., in which it has been decided that in the case of a workman whose year of birth is known but not the exact date then 1st July should be treated as the date of birth for the purpose of determining the date on which the workman concerned should be held to have attained the age of 58 (now 60 years). The provision of this letter has also not been challenged on behalf of the workmen and as only the year of birth is recorded in relevant documents concerning all the workmen 1st July would be deemed to be the date on which they will be deemed to have attained the age of 60 years.
- 8. Let us now take up the case of the first workman viz. Chhabiraj Dubey who was working as Security Guard since before take over and nationalisation of coal mines. Ext. M-2/1 is entry in Sl. No. 70 of Form B register maintained by the management. This register according to MW-1 Sr. Personnel Officer was prepared in 1973 after take over. MW-1 in his cross-examination in para 6 has stated that new registers are prepared when old registers are worn out. The old Form B register of ex-management has not been filed on the ground that it has been worn out or not available. From a perusal of Ext. M-2/1 it will appear that in Column No. 4 the year of birth is recorded in respect of this workman as 1921 and below it ligures 48 has been noted. Now if the year of birth as mentioned in it be deemed to be correct then in the year 1973 he could be aged 52 years and not 48 years as mentioned in Form B register. Chhabiraj Dubey has examined h mself as WW-1 and he has stated that at the time he put his signature on this register the age column of this register was blank. It will also appear that the figures 48 has been written in this document in different ink and all the entries regarding him is not in one ink. According to the workman his year of birth is 1924 and in support of it he has filed his identity card issued to him by the ex-management and is dated 3-6-1955, In this identity card his year of bitth recorded is 1924. There is nothing on the record to show that the entry made in this identity card is not genuine. It bears the signature either of the Labour Officer or of the Personnel Officer of the ex-management. Thus there is difference between the age recorded in Form B register as also in identity card which is the earlier document. According to MW-1 this register was prepared on the basis of the registers prepared by earst-while owner. The old register has not been filed in this case. The old register would have been the most authentic document to decide the year of birth of this workman, but MW-I has stated that the said register is not available. He cannot say whether it is destroyed. In view of the differonce between identity card and Form B register the old register should have been filed by the management. Further g ster should have been filed by the management. Further it will appear that as soon as the concerned workman Chhabiraj Dubey received notice of retirement Ext. W-5 dated 1-3-84 he filed a representation on 11-3-81 (Ext. W-2) challenging his retirement and requesting the management to check his grading list issued by Bengal Coal Co. But it was not done by the management. It will also appear that the Form B register itself has got conflicting entry because on the one hand the year of birth recorded is 1921 but on on the one hand the year of birth recorded is 1921 but on the other hand in the same column Sri Dubey has been shown to be aged

48 years which is not possible. In view of this contradictory entries and in view of the identity card issued by the exmanagement where the year of birth is specifically entered, it will not be safe to rely on the entry made in Form B register.

9. During the course of bearing the management proed that the con eined workman had also be board for assessment of his age and his age was determined as 60 years on 17-7-81 by the Medical Board. Ext. Mi-4 is the Medical report. MW-2 is Board Board. Lat RI-4 is the Reduct report. MW-2 is the Reduct report. MW-2 is the Reduct Reduct report. MW-2 is Board and he has stated that he examined the concerned workman and found to be aged 60 years. This examination admittedly was made after Chhabiraj Dubey had already been retired from service. It is, therefore, to be seen as to that the the assessment of age as made by the Medical whether the assessment of age as made by the Medical Board is based on medical jurisprudence or not. The Doctor MW-2 m para 5 of his cross-examination has stated that the reason for determination of age are recorded in Ext. Mi-4. He has further stated that they determined the age as per company's procedure and not as per medical jurisprudence procedure. From the report itself it will appear that there is nothing to show as to on what hasis the age
wes determined at 60 years by the Board. The report shows the general condition of the workman was good and nothing abnormal was found in his nervus system, respiratry system, digestive system and endocrine system. The blood pressure has been noted and the teeth was found to be healthy. But the above are not the data on which the age of a person can be assessed scientifically as per medical jurisprudence. The Doctor has admitted that besides hair, wrinkle on the fore, third molar teeth there are o her methods for determination of age. Nothing has been written about wrinkle on the face and molar teeth etc. Further it is well settled that the exact age of a person cannot be determined after attaining certain age because ausification test also is not dependable after attaining certain age. Further even cording to the Doctor the determination of age was approximate one and so it cannot be held specificially that on the date of examination the concerned workman attained the age of 60 years. In such circumstances considering the contradictory entries in the Form B register it was proper for the management to rely on the identity card of the concerned workman and he should have been retired on 1-7-1984 and not on 1-7-1981.

- 10. Considering all the evidence I hold that the retirement of Sri Chhabiraj Dubey with effect form 1-7-81 is unjustified and illegal.
- 11. Next comes the case of John Heminen, Security Guard. Ext.M-2 is the entry in Form B register and the SI.No.58 would show the year of h's birth as 1921 and on this basis the concerned workman was superannuated with effect from 1-7-81. Sri John Hembrem has examined himself as WiV-2 and he has stated that his year of birth is 1923 and he was recorded in Form B register prepared by the erstwhile management. As stated earlier Ext.M-2 is an corry in Form B register which was prepared by the tranagement in the year 1973 after take over. Though this register bears the signature of Sri John Hembrem but he has stated that at the time his signature was taken on it the age column was blank. It cannot be disputed that the year of birth recorded against his name has been in different ink.
- 12. As against this the concerned workman has filed his identity card Ext.W-1|1 which would show his year of birth as 1923. Other details are also mentioned in it. This identity card was prepared while the workman was working before the erstwhle management in watch and Wo.d Department. The fact that this year of birth is 1923 and not 1921 is corroborated by one important determent of the management itself and it falsifies the entries made in From B registered prepared in 1973. Est.W 3 is a letter written by Sri John Hembrem to the Chief Security Officer graying to issue him a date of birth certificate as recorded in the office book. It was written by him that the colliery conferred bird informed him that service tenutre had completed as per his age, but the date of birth recorded in his pay book is 1923 and the same year of birth is also recorded in the office of the Security Officer and so a certificate, may be issued to him so that he may take steps in the matter. On

his application an endorsement was made by the office stating that the records had been sent to Sr. Personnel Officer (HQ) and to Sri Hembrem was directed to see the Sr. Personnel Officer. On the back of this petition there is an endorsement by the Sr. Personnel Officer of Eastern Coalfields Headquarter, Sanctoria with his eal and this endorsement is addressed to the Senior Security Officer. In this endorsement it has been mentioned that according to service record available from the ex-owner the year of both of Sri Hembrem has been recorded as 1923. This also bears the endorsement of the Chief Security Officer who sent it to the Manager, Chinakuri Colliery for neceressary action. Thus this endorsement by the Sr. Personnel Officer and the Chief Security officer clearly show that in the service record of the exowner the year of both of Sri Hembrem as recorded is 1923 as claimed by the workman himself. This is also corroborated by the service card of the concerned workman Ext. W-1/1.

- 13. The only argument on behalf of the management regarding this document is that the endorsement of the Sr. Personnel Officer (HQ) is dated 7-12-81 that is after the retirement of the concerned workman and so it has got no value. The management has not challenged the genuine-ness of the endorsement and signature of the Sr. Personnel Officer as also of Chief Security Officer and in view of Ext. W-4 and the Identity card Ext. W-1/1, it must be held that the year of birth of Sri John Hembrem is 1923 and not 1921 as recorded in Form B register.
- 14. It may, however, be stated that this workman was also sent to Medical Board for assessment of his age after his retirement and Ext. M-4/1 is the medical report in the pen of MW-2 who examined Sri Chhabiraj Dubey. Almost the same facts as recorded in the certificate of Chhabiraj Dubey are recorded in this document also and it is clear from the entries made in this document as well as evidence of MW-2 that the age was not assessed on any medical jurisprudence data but it was done in an arbitrary manner. No reliance can be placed on such a medical report. It must, therefore, he held that the retirement of Sri John Hembrem on 1-7-81 is also illegal and unjustified.
- 15 Next comes Guran Mallah, Loader, Guran Mallah, however, has not come to the witness box to depose about his age. Ext.M-1/1 is entry in SI.No. 1899 in Form B register which is of the period of ex-owner and it was taken by the present management at the time of take over. It was prepared in October 1970 as the register shows. In this teg ster the year of birth of the concerned workman recorded is 1921 but below it the figure 49 is written and it appears that this figure 49 has been subsequently written on the figure 42 as '22 has been changed to '92. The overwhiting is figure 42 as '2' has been changed to '9'. The over-writing is quite clear. But if 1921 is taken as year of birth then in 1970 Sri Guran must have attained, the age of 49 years. As against in's the orginial service card of an Guran has not been filed and instead photostate copy of his identity card purported to have been issued by the ex-owner has been filed. No reason has been assigned as to why the original service card has not been filed in this case. The concerned workman ought to have filed the original service card to show that the year of birth recorded in it was correct and entry in Form B register was wrong. No reason has been assigned as to why Sri Guran did not even come to support his case. Thus there is no authentic document to disbelieve the entry made in Form B register regarding this workman. He was also examined by the Medical Board but as no reliance has been placed on the report of the Medical Board in case of other workmen hence no reliance is put on the Medical Board report concerning this workman. But in the circumstances of the case and evidence on record it must be held that the entry regarding year of birth of the concerned workman St. Guran Millah in the Form B register is genuine and correct and he was rightly retired by the management with effect from 1-7-81.
- 16. Lastly comes the case of Sri Narsingh. Loader. Fat. M-1 is entry in Sl. No. 1926 relating to this workman in Form B register which also bears his thumb impression. The year of birth as recorded in this entry is 1921 and delow it the figure 49 is also written which shows that in the year 1970 when this register was prepared the concerned

workman was aged 49 years. There is nothing to disbelieve this particular entry regarding the concerned workman. The workman however has filed identity card Ext. W-1/2 in which at one place year of birth recorded is 1925 and at another place it is 1926. It does not bear the signature of any officer of the ex-management. Further Sri Nagsingh has also not come to the witness box to challenge the entry made in Form B register. He was also sent to Medical Board but in view of the reasonings mentioned already no reliance is placed on the report of the Medical Board.

17. Considering all the evidence on record and facts and circumstances of the case, I hold that S/Sri Guran Mallah and Narsingh were rightly retired with effect from 1-7-81 as they had attained the age of 60 years on that date and the action of the management in superannuating them with

effect from the said date is legal and justified. The above 2 workman concerned, therefore, are not entitled to any celief. It is further held that the other 2 concerned workman viz, \$|\$sr_1\$ Chhabiraj Dubey and John Hembrem were superannuated improperly as they had not attained the age of 60 years on 1-7-81. Sri Chhabiraj Dubey will attain the age of 60 years on 1-7-84 and 30 he is entitled to be reinstated in service with full ba k wages and continue in service till 1-7-84. As Sri John Hembrem has already attained the age of 60 years on 1-7-83 he is entitled to his full wages with effect from 1-7-81 till 1-7-83 as question of reinstatement does not arise in his case.

18. The award is passed a cordingly.

J. N. SINGH, Presiding Officer
